

A Present For Mary!

The church celebrates the birth of Mary on September 8th. How appropriate that our Presentation Garden, a place of prayer and repose, has been rejuvenated!

Two "wish list" garden benches were donated on which to rest and reflect. One of the benches is from a donor whose grandfather built the concrete/mosaic bench by hand.

What a special gift and remembrance! The Mission of Hope volunteers from Strongsville, Ohio, did the majority of refurbishing, painting, and landscaping.

Kathy, our parish gardener extraordinaire, put the finishing flower flourishes in the garden - icing on the cake!
