

The Prayer Wall Through The Seasons of our Lives

October 18, 2013 marks the fourth anniversary of our Prayer Wall Dedication.

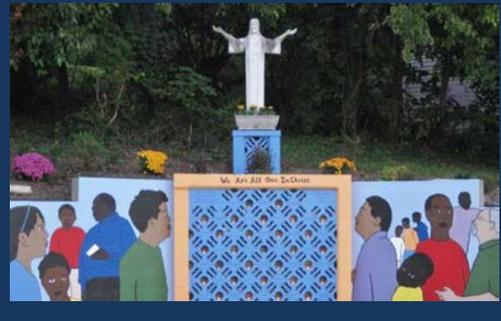

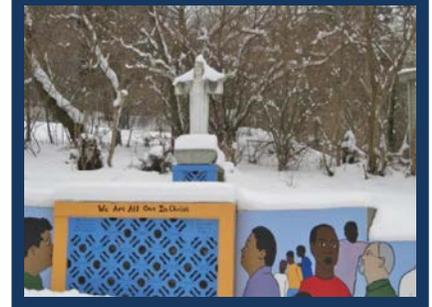

At the heart of the front section is the statue of the Risen Christ, shown here through the seasons and decades. The front "Community" Prayer Wall was designed by the graduate students from Miami University while the "Saints and Peacemakers" Wall was designed by Barry Davis.

The theme is carried inside the rectory where more prayer experiences are found. A variety of Barry's paintings hang in the foyer over the Prayer Table and several individuals have provided their own throughout the offices.

As always, all are welcome to join in prayer by placing notes in the prayer wall, or calling the office to have a special prayer or intention placed in the wall. And feel free to join the staff at the Prayer Wall if you're in the neighborhood on Wednesdays around 10:00 am, in and for all the various seasons of our lives!
